

2022 Buffalo Stampede Charity 5K/10K **Walk/Run**

21st Annual Charity Event June 4th, 2022

100% of proceeds go to local charities

Once again, the Durham Ranch is teaming up with the Powder River Energy Foundation for this event. Established in 2007, the Powder River Energy Foundation has awarded nearly \$2 Million to scores of organizations in every county of PRECorp's service territory of northeast Wyoming. The Foundation's main focus has been to support local organizations with limited resources for funding such as food pantries, veterans' groups, rural health care, and youth education. All proceeds stay local.
