

Sponsorship & Donation Application

Applicants are requested to submit a complete application form. Please type or print legibly in black ink. Attachments or additional pages may be necessary due to space limitations.

Applications should be submitted a minimum of 60 days prior to funding needs. While Powder River Energy Corporation or its Foundation will review applications as quickly as possible, there are several standards/criteria that need to be considered and evaluated which may take time for processing.

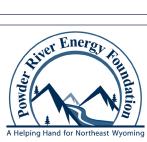

When applying for either Sponsorship or Donations, please note the following guidelines:

- Event Sponsorship requests can be for any amount and are considered directly by PRECorp's Marketing Communications Division.
- Donation requests under \$500 will be reviewed by PRECorp's Community Involvement Committee.
- Donations, grants, or charitable requests of more than \$500 may be considered by the **Powder River Energy Foundation** for funding. (Section B of this form must be completed, with financial information provided.)
